## Students' Congress

There was a *Students Congress* at Anthony church on February 5, 2011 organized for students, academic and non-academic staff and intending students of higher institutions. The roles of *Campus Association of Visiting Secretaries—AVS* (an arm of the church that goes for School visitations) were discussed. Some of the challenges facing students (finance, restriction from traveling, irresponsiveness of patrons and matrons to campus AVS activities, admissions issues, need for standard campus fellowship buses) were analysed. Suggestions were also made for the need to change the name of Campus AVS to Apostolic Faith Campus Fellowship (AFCF).
