One of the key points of the training was: The heart, as the source of life, must remain clean and healthy before any positive impact can be realized from the governance of home, church and the mission field.

The DS then used the opportunity of the visit to gather useful information on procurement of modern printing machine for WECA Hqs. Consequently, Brother Andy, a professional printer in Ghana came to Lagos on 24 February 2012 with a view to mapping out strategies to enlarge production capacity of the printing press in WECA Headquarters.

Togo

'O! LORD, REMEMBER TOGO'

This is the current chant at the WECA HQs, Lagos, Nigeria.

A mission visited Togo from Thursday, 23 February to Monday, 27 February 2012. The team comprised of Sister Rachel Fakorede (Deputy Director, Foreign Missions), Sister Mabel Odunsi (Deputy Director, Youth Development), Brother Samuel Gbede (HOD Worship, Cotonou), Brother Noe Chetan, (HOD Welfare Cotonou), Sister Christiana Solomon-Okon (Secretary, Foreign Missions Department), Brother Romeo Kponkanou (French Unit) and Brother Ikechi Umekwe (Foreign Missions).

The major objective was to explore means and strategies of rejuvenating and sustaining the Apostolic Faith Church in Togo.

Statistics about the population from Togo citizens and total attendance in all Togo churches compared shows that a non-significant penetration was made. People are not aware of the existence of the church. As a result, an outreach programme was inaugurated and workers were sent to distribute Gospel literature. The response was very encouraging. The workers said that the citizens were receptive and not hostile. They admitted that they needed to wake up.

The mission team created two Bible Study centres – Palmye and Hahotoe. They visited the King of the Hahotoe centre who prayed for continued ministration at his palace.

Home Mission

In one of our meetings, the DS thanked God for the unprecedented blessings showered on His church since the beginning of 2012 tagged 'a year of revival' by God Himself. He enumerated that over 400 various spiritual blessings had been recorded in Lagos region, over 450 in Liberia and many blessings in Ghana. The visitation of God was as well obvious in the Prayer Retreats.

He however cautioned that the Church should not think that their wisdom had wrought the victory. It is God alone who has decided to move in His Church. In order to sustain the revival fire the Church would have to con-

tinuously put on the garment of meekness and humility. Humility should not be only in the mouth but in the heart of all believers which should apparently manifest itself in our relationship with one another. He cited Isaiah 57:14&15 to buttress his points and advised that a proud bossy attitude or arrogant godlessness like that of Nebuchadnezzar should not be in the heart of believers. A servant cannot claim the credit of his Master.

Other Districts, such as, Osun recorded over 500 spiritual blessings during the month under review.
