Two-Week Camp Meeting in Liberia

The two-week Camp meeting was preceded by 2 months of intensive prayer meetings so as to seek the favour and blessings of God upon all participants.

On Friday, January 11, 2013 a two-hour prayer meeting preceded the Ministers and Workers' Conference held on the theme: "The Home of the Servant of God". Everyone

present was encouraged not to only build the work of God but to be like Noah who built the Ark and also built his house along. This should be done so that our entire household will take part in the Rapture.

The District Superintendent (DS) West and Central Africa (WECA), Rev. Bayo Adeniran was present at the Camp meeting. In attendance also were Rev. & Sis. Dealyn George, Regional Overseer for Ikot Ewang; Rev. Esther Ogunfowomu (Deputy Director of Publishing), and Rev. James Tifase. Delegates came from all the 15 Branches and Bible Study Centers. Delegates from the United States of

America (USA) were also present. In attendance at the opening of the Camp meeting was the Vice President of the Republic of Liberia, His Excellency Ambassador Joseph N. Boakai.

The church at Monrovia

On Thursday, January 10, 2013 the Nigeria delegates along with Rev. Joshua M. Roberts, (Liberia Overseer) visited a plot of land along the Robertfields Road (the proposed Campground)

and 2 branch churches near Monrovia. A Saints' Meeting was held where the completion and dedication of the Church's edifice was discussed. The plan is to dedicate the edifice at the Camp meeting next year if Jesus tarries. Words are inadequate to thank God for the many blessings he showed during the Camp meeting. A total of 105 were saved, 129 sanctified, 122 baptized with the Holy Ghost and fire, 247 reanointed, and 163 healed from divers diseases and sicknesses, making a total of 766 blessings. The services were well attended and the peak attendance was 1493 .
